I apply to SHAL Housing for permission to keep the above pet. By signing this form, I agree:

- To be responsible for the pet's behaviour inside and outside the property
- To care for the pet and be responsible for its health and safety and overall welfare
- To ensure the pet does not cause a nuisance to neighbours, SHAL employees or others
- To ensure any mess/fouling (in public, in home or in my garden) is cleared up immediately
- To ensure the pet does not damage the property. If it does, I accept that I am responsible for putting any damage right within any timescales SHAL gives me. If I do not repair the damage by the date required, I accept that SHAL will charge me any costs it incurs in putting the damage right and agree that I will cover those costs.

I am aware that, if SHAL Housing believes any of these requirements are not being kept to, they may withdraw permission for me to keep this pet and I will be required to rehouse it. Failure to remove the pet in these circumstances will be a direct breach of my tenancy agreement and may lead to me losing my tenancy.

I undertake that, if I vacate the property, I will take my pet with me and will ensure all items relating to the pet are removed, the property is thoroughly cleaned (including flea treatment if necessary) and the garden and other outside areas are clear of all pet mess
