

Last night's Community Chat

We had a chat about how the delay to the easing of lockdown is affecting people and services. While it's disappointing we agreed it's better to be safe than sorry. We also chatted about how we can get more people involved, how nervous some of us were before our first get together, the number of homes in our communities and how surprised some of you were. For example:

Community	Homes
Hamp	123
Nether Stowey & Over Stowey	26
North Petherton	18
Spaxton	3
Sydenham	77
Taunton	32

Become a "Community Coach" or a "SHAL Superstar" and share your experiences with other members of your community.

"It was a lovely natter tonight, let's do our best as a community to raise the profile of the group. If you know someone near you that's also a SHAL tenant let them know that it's good to be part of these meetings."

- Lisa
