

Our stock
condition survey
is starting soon

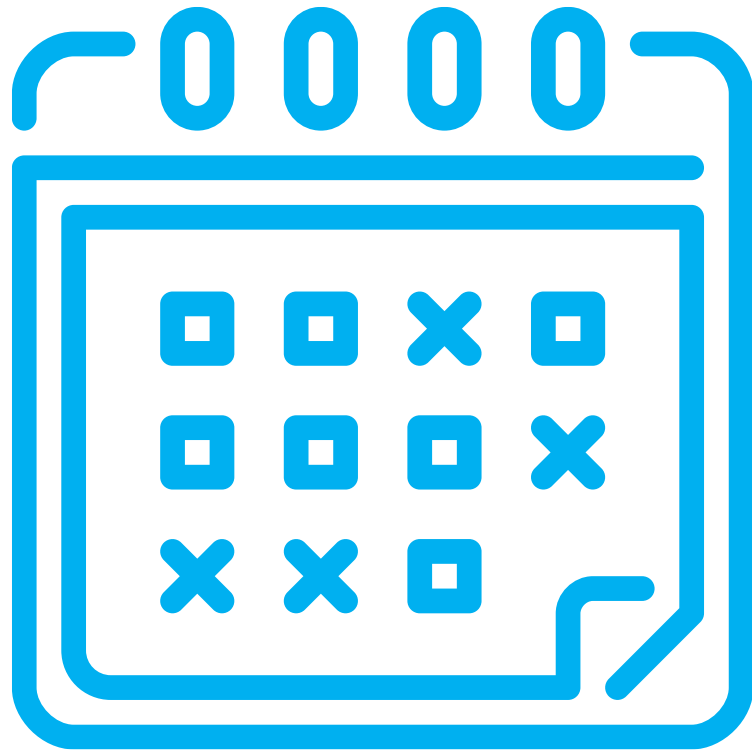

We're starting the process of surveying our homes soon

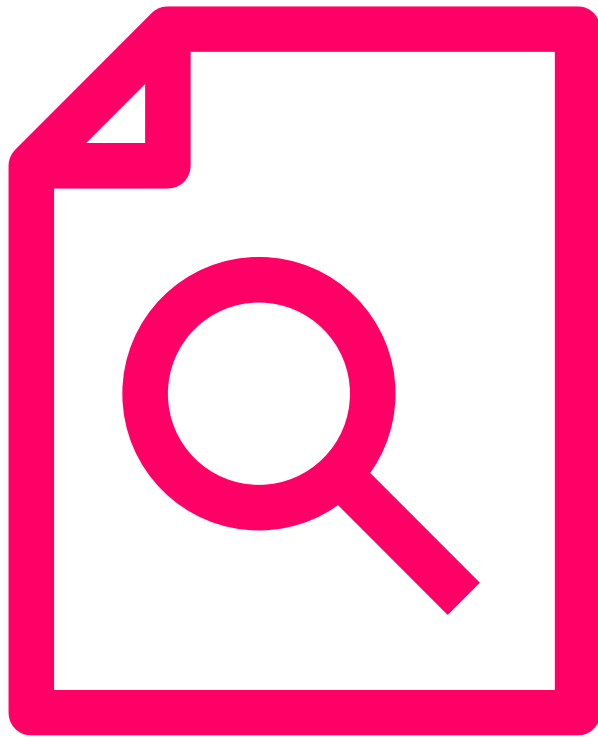

We're prioritising 519 homes – (that's around 68%)

We're aiming to complete them this year

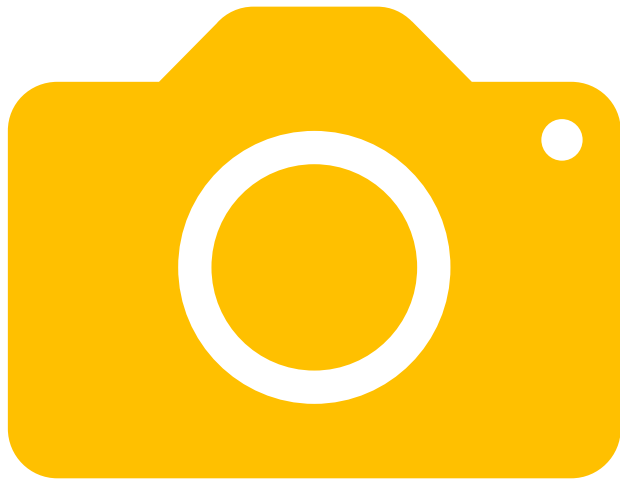

We'll always contact you to make a convenient appointment

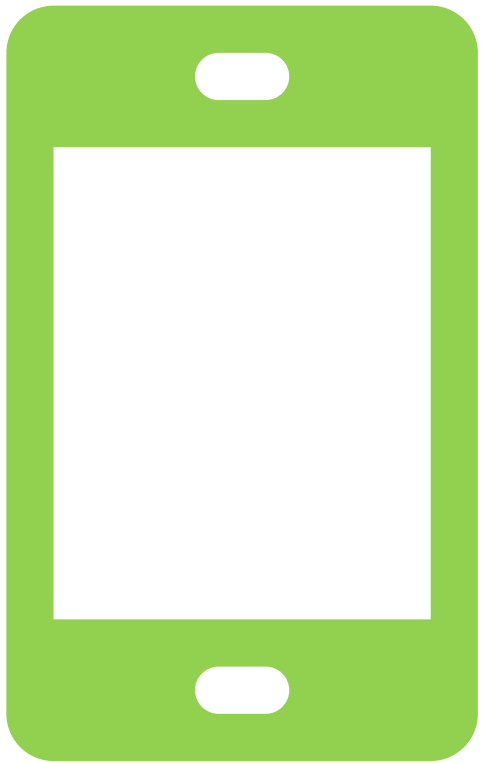

We're estimating it should take around 1.5 hours to complete

We'll need to be able to access all areas of your home including the loft and garden (if applicable)

We'll need to take photos of different areas & rooms too

This time we're training some of our maintenance team to complete the surveys

That means it'll be a familiar face and they'll know our homes as they work in them already

Why are we
doing this?

The **Better**
Social Housing
Review

The Better Social Housing Review has recommended all housing associations **publish a thorough audit** of all social housing in England

The **Better**
Social Housing
Review

It also recommended housing associations **refocus on their core purpose**

The **Better**
Social Housing
Review

We provide **safe, warm and affordable homes** in our community

We're committed to providing **quality homes** and services

The **Better**
Social Housing
Review

We want to up-date the information we have following the extensive planned investment programme

We're aiming to re-survey all our homes at least once every 5 years

If you have any questions please
get in touch
